Permission to View Audio / Visual Material Rated PG

Occasionally within our program of work at school, it would be beneficial for students to view material that may be rated PG. This would normally include some documentaries, some movies, short story anthologies and clips on YouTube of internet sites. This would be a useful resource to support our work in all subjects.

Any material to be viewed by students would be age-appropriate and thoroughly checked by class teachers. Care would be taken to NOT view anything which is offensive or outside what is reasonable for students to see.

Please complete the consent form below.
