Newsletter, Term 2 July 2020

## From The Principal's Desk

This is the final newsletter for Term 2. It has been a very productive term despite being challenged with both learning from home and face to face teaching due to COVID 19. I again want to acknowledge the tremendous work of both teachers and parents as we have worked together to build a strong partnership in learning.

Take care over the holiday break. School returns for students on **Tuesday 21 July**.

## Student Reports

Half yearly student reports went home yesterday. Covid 19 has changed our normal reporting process. Semester 1 reports focus on the learning that has taken place this year, both at home and at school. Following Department guidelines, students were not graded in the usual A-E format. Each child has strengths that should be celebrated and parent encouragement is vital. Please take the time to sit with your children and discuss their progress.

### Congratulations Ms Petkovski

**I know our community will join with us in congratulating Ms Petkovski and her husband on the safe arrival of their beautiful baby boy Ashton.**

## Important Information

Parents are again reminded that supervision of students does not begin until 8.30am. We have a number of students arriving well before this time on some days.

**No students should be at school unsupervised before this time.**

Parents need to make alternative arrangements for child care before school. TASK offers Before School Care in the hall. They can be contacted on **1300 827 500**

## Getting to School on Time

The weather is becoming cooler in the mornings and at this time of year we find many children arrive late to school.

It is important that parents encourage children to arrive at school on time. Classes begin each day at 9.00am. Some children are arriving well after this time and are missing important learning time. Many say they are late due to sleeping in or not being organised.

Being on time each day and only taking sick days when necessary is a vital part of teaching children the importance of being reliable and valuing their education. Being reliable is learnt from an early age and is the responsibility of each parent/carer.

Please also ensure that your child is picked up from school at the conclusion of the school day on time. School finishes at 3.00pm. Students are often left well after the bell and become distressed when parents are late collecting them. If parents/carers are experiencing difficulty being on time in the afternoon Before & After School Care may be of assistance.

## School Security and Holiday Site Works

Our 2020 Risk Management Tree Report identified some trees that require removal and others to be significantly pruned to ensure the continued health and safety of our students.

The Bathroom Upgrade, Tree Removal, and other site works will be taking place over the holidays but **please help keep our school safe**.

If you see anything unusual happening in the school grounds, please call School Security on 1300 880 021

## YEAR 6 - HIGH SCHOOL UPDATE

Our Year 6 students have started to receive paperwork from High Schools regarding enrolments for next year.

When you receive your paperwork you need to complete the forms and post them directly back to the High School.

**They do not get returned to our school.**

What exciting times these are for our Year 6 students and their families. If there are any questions or concerns, please call to speak to your child's class teacher.

## YEAR 4 - Opportunity Class UPDATE

Applications are now closed for Opportunity Placement Year 5 2021.

Those who applied for their children to sit the exam will be advised by **Wednesday 2 September 2020** where to take their child to sit the Opportunity Class Placement Test.

The Opportunity Class Placement Test will be held on **Wednesday 16 September 2020**.

## VISITORS TO SCHOOL DURING COVID-19

Due to COVID-19, anyone visiting the school is asked to phone the school on 9759-4388 from the front gate.

No access to the school premises is permitted during the pandemic. A staff member will meet you at the front gate and assist you with your enquiry.

If you are collecting your child early, please call the office from the gate and we will escort your child to you.

### Have you changed your contact details?

It is important that the school has up to date contact details in the event that your child becomes ill at school. Children often become distressed when we are unable to contact their parents.

We ask that all parents notify the office if any of your details have changed. Your assistance in this matter is much appreciated.

## Lost Property

As the weather is changeable lately, children often take sloppy joes and jackets off during the day.

Please ensure that your child's name is written clearly on all school uniform items including school hats.

If your child loses an article of clothing, please call or email the school office who can check with the class teacher as all labelled items are returned to the relevant classroom.

Sadly we can not return or identify unmarked clothing so please make sure you label all clothes, lunch boxes, pencil cases and bags.

Any items not labelled are placed in the Lost Property tubs, please ask your child to check these tubs often for their lost items.

Parent/Guardian

Dear Parents/Guardians,

We are delighted to inform you that Belmore South Public School will be participating in the world-renowned ICAS Assessments this year. ICAS is developed by UNSW Global, a wholly owned subsidiary of UNSW Sydney, with over 35 years' experience in educational assessments.

ICAS is designed to target students' higher-order thinking and problem-solving skills in English and Mathematics.

Each assessment celebrates students' accomplishments by providing opportunities for recognition. Every student will receive a printed certificate and an online result report. Top performers will be eligible for medals and are invited to attend special award ceremonies to have their academic excellence publicly recognised.

We encourage you to consider entering your child into ICAS this year. The assessments are suitable for students wishing to extend themselves academically and take up the personal challenge of competing in an international assessment. Your child will be presented with high-quality, expert-developed questions, allowing them to apply their learning without the need for prior study or revision.

ICAS Assessments are now online, a move that reflects a sector-wide transition to online assessments. This allows greater accessibility for students and faster delivery of results.

Learn more about ICAS here: [unsw.global/ICAS](https://unsw.global/ICAS)

# Changes to the opportunity class placement process for Year 5 entry in 2021

## Information for parents/carers and students

The department is committed to the continued education of all students across NSW, including advanced learning programs for high potential and gifted students.

The 2021 Year 5 opportunity class placement process was put on hold in April 2020 due to the COVID-19 situation.

We have now rescheduled and streamlined the application process. Please note the details of the changes below and assist parents and carers to understand these changes.

### Why have changes been made to the 2020 opportunity class placement process?

Due to the shorter time frame available for the OC placement process, changes have been made to the process for this year. The department is committed to supporting the continuity of learning and transitions for each child, and the revised application and placement process will ensure students are placed in 2021 Year 5 opportunity classes as soon as possible.

### What changes have been made?

The 2020 opportunity class placement process has been revised to accommodate the shorter timeline due to the postponement of the test.

To ensure the fair and consistent assessment of students across all schools and regions of NSW, this year students will be placed on test results only. Taking this approach reduces the effect of the disrupted start to the school year, which could compromise school assessment scores, and ensures that all students are placed using the same test performed under the same conditions. The test is created by an independent educational assessment provider and measures academic ability, not achievement, giving a reliable method for identifying highly gifted applicants which is not subject to the variable classroom conditions experienced this year.

## What are the key dates I should be aware of?

The revised dates are listed below. Parents are advised to review the new dates carefully and ensure an application is submitted by the closing date for their child to be eligible to sit the placement test as, owing to the shorter timeline, late applications will not be accepted.

| Action  | Date                   |
|---|------------------------|
| Applications open   | 9 June 2020            |
| Applications close  | 26 June 2020           |
| Opportunity Class Placement Test date                                       | 16 September 2020      |
| Parents and schools advised of placement outcome information                | From 1 December 2020   |
| Parents accept or decline first round placement                             | By 15 December 2020    |
| Principals arrange orientation day for successful candidates                | December 2020          |
| Reserve places offered  | From mid-December 2020 |
| Authority to attend an opportunity class letter sent to parents             | Late January 2021      |
| Successful candidates enrol in Year 5 at a school with an opportunity class | Late January 2021      |

A visual timeline showing the key dates is printed on the next page.

## OUR STORY

TASK was started in 2013 by Madi Morrison and Suzanne Tucker – two mums with 3 children each. We were experiencing the chronic shortage of after school care at our own school in Sydney's Inner West. We began as a small homework club – with 5 children (3 of them ours!) with one educator in a classroom. Our aim was to create a place that combined care, play and homework after school. In 2015, we became approved providers of out of school care. We have grown over six years and now operate in Newcastle, the Central Coast, Tweed Heads and Sydney in 15 schools across the public and independent/catholic school systems. **TASK is an ethically private service** – we channel monies back into our programs, people and resources. Madi and Suzanne are joint and equal owners of TASK. We employ 120 people – all of them from the local communities in and around the schools at which we provide service. Anyone wanting to work with us, please send us a resume. We love spending time with kids and love seeing them try new things, make new friends and develop new skills. We are passionate about improving, every day.
